Fundraising

Mobile Fundraising - At events, supporters take out their phone and make a donation, while they are fired up! They send a text, get a link, and complete a simple credit card form.
Demo: Text the word **PERRY** to **56512**.

Live Fundraising Tracking - Display a live thermometer and donation board to encourage participants to meet the goal.

Call to Donate - For those people who are text message challenged, participants can dial a number on their phone and enter their donation amount and credit card info.

Engagement

Action SMS Alerts - Our SMS builder allows volunteers to text in and sign up for text message alerts. Send SMS alerts with live event info or breaking news.

Mobile Volunteers - Stay in touch and engage your volunteer force using our SMS platform.

Community Relations - Mobile websites, audio hotlines and our text message platforms help distribute your message to an engaged community audience.
