

Description

Supporters donate any dollar amount by texting in a keyword to receive a link to a mobile donation web based page. Funds are deposited directly into an organization's merchant account*.

*Win by Cell does not provide any merchant or Paypal account; we build software code to connect the data entered by the donors. We can connect to these Merchant Account Providers at no extra charge: *Cybersource, Authorize.net, Sage, Paypal Pro, Chase Paymentech and First Data.*
